HEALTH & SAFETY POLICY

We shall strive for higher productivity with minimum loss of man days on account of accidents and human suffering and for this we are committed to.

- to provide adequate control of the health and safety risks arising from our work activities;
- to consult with our employees on matters affecting their health and safety;
- to provide and maintain safe plant and equipment by fulfilling all legal compliance requirements;
- to ensure safe handling and use of substances;
- to provide information, instruction and supervision for employees;
- to ensure all employees are competent to do their tasks, and to give them adequate training;
- to prevent accidents and cases of work-related ill health, use of PPE's;
- to maintain safe and healthy working conditions by employee motivation and Continual Improvement and setting Quality Objectives as per 45001:2018
- to review and revise this policy as necessary at regular intervals.
